

## ▶ INTELLIGENCE SERVICES: REPORTS

Increase your awareness and knowledge of the threats your organization faces with comprehensive and useful reports from Kaspersky Lab.

Tracking, analyzing, interpreting and mitigating constantly evolving IT security threats is a massive undertaking. And it's not even your core business. Enterprises across all sectors are facing a shortage of the up-to-the-minute, relevant data they need to help them manage the risks associated with IT security threats.

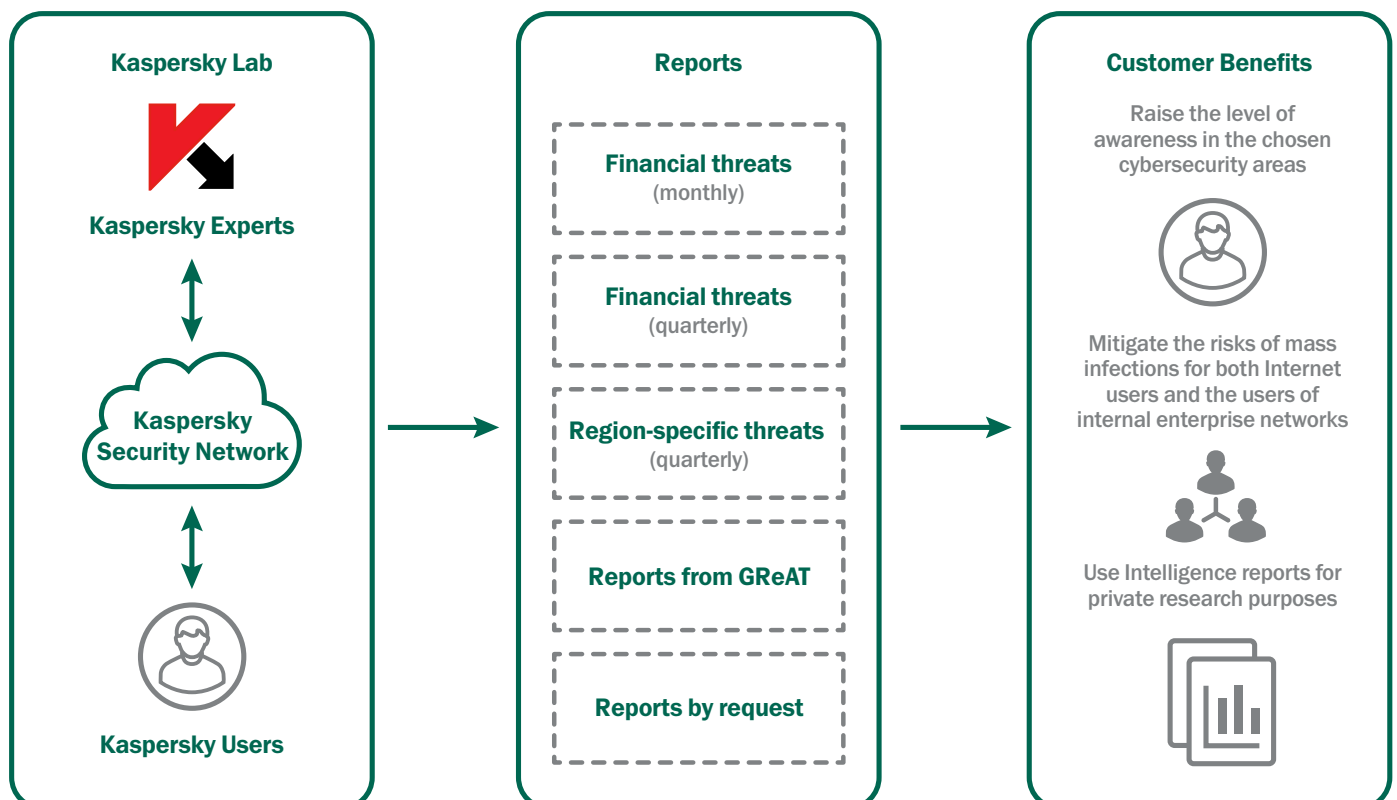

A subscription to Kaspersky Lab's Intelligence Reports can help plug these information gaps, giving your enterprise access to information based on more than 60 million user statistics gathered across 200 countries.

Kaspersky Lab's knowledge, experience and deep intelligence on every aspect of cybersecurity has made it the trusted partner of the world's premier law enforcement and government agencies, including Interpol and CERTS. You can leverage this intelligence in your organization today.

### KASPERSKY'S INTELLIGENCE REPORTS SHOULD BE A KEY ADDITION TO YOUR ORGANIZATION'S PROACTIVE SECURITY PROCEDURES:

**Effective and actionable** — Kaspersky Lab's Intelligence Report subscriptions provide the security professional with heightened intelligence and awareness in their chosen security areas. In addition to using the reports to mitigate enterprise IT risk, many organizations leverage them for private research purposes and security strategy development.

**Relevant and timely** — Kaspersky Lab offers Intelligence Reports in two areas: financial threats and region-specific threats. Reports come in quarterly and biweekly formats and, depending on the format, include:
